Anita Silvey served as children's book publisher for Houghton Mifflin and Editor-in-Chief of The Horn Book Magazine.

She has devoted her career to encouraging children -- and their families -- to read. She has appeared frequently on NPR, "The Today Show," "60 Minutes," to talk about books for children and teenagers.

This program is made possible through federal funds administered by the Institute of Museum and Library Services and administered by the Massachusetts Board of Library Commissioners and the Friends of the Sandwich Public Library.
